

Pension Fund - AutoEnrolment.co.uk Master Trust Regulated by The Pensions Regulator (TPR)

The AutoEnrolment.co.uk Master Trust is the regulated legal entity into which pension contributions are made, securely, by direct debit. The master trust is regulated by The Pensions Regulator, fully ring-fenced and overseen by experienced trustees, to ensure employees' funds are fully protected at all times. Our master trust is accredited under the Pensions Regulator's Master Trust Assurance Framework (MAF).

Trustees - Capital Cranfield Trustees Regulated by The Pensions Regulator (TPR)

Capital Cranfield leads Smart Pension's board of professional, experienced trustees (the majority of whom are independent). The trustees ensure pension legislation is followed, act in the best interests of the beneficiaries and procure an investment strategy for the scheme's assets per the trust deeds, all at the best price possible. The trustees appoint both the master trust's investment manager and its pensions administrator.

Funds - Legal & General Regulated by The Financial Conduct Authority (FCA)

The Legal & General Group is responsible for investing circa £371 billion on behalf of investors, policyholders and institutions. They have a further £65 billion of savings under administration. Legal & General is one of the biggest providers of index tracking equity investments in the UK, managing approximately £70.7 billion. In total, Legal & General has over \$1,000bn assets under management.

Investment Advice - Barnett Waddingham Regulated by the Financial Conduct Authority (FCA)

We understand that financial expertise in balancing performance, risk and cost is key here and are delighted to be leveraging the deep expertise of our trustees with investment advice from Hymans Robertson. Established in 1921 Hymans Robertson provide investments, benefits and risk consulting services, as well as data and technology solutions, to employers, trustees and financial services institutions.
